PARTZSCH

8TH PARTZSCH PRACTICE DAY – THEORY MEETS PRACTICE

POWER FOR YOUR (RE)VISION

MANUFACTURE-INDEPENDENT EXCHANGE OF EXPERIENCE ON THE LIFE CYCLES OF LARGE, ROTATING, ELECTRICAL MACHINES.

Once again this year, you can expect exciting demonstrations using practical examples, a tour of our halls and interesting technical presentations on the following topics:

- PARTZSCH Universal generator
- Increasing the service life of frequency converter-fed motors by avoiding spark erosion
- From 33 to 2 mm/s – Vibration problem solved.
- Annual review and analysis of damage patterns in generators and electric motors
- Efficient generator replacement: from planning to grid compliance
- Panel discussion on the topic of genertor replacement between manufacturers, operators and insurers

Starting this year, we are charging a small participation fee of €50 to ensure that registrations are binding and to enable all interested parties to take part. 100 % of the participation fee will go to a good cause. Thank you for your understanding!
