

Important information for our business partners

The logo for PARTZSCH Elektromotoren is enclosed in a blue rectangular border. The word "PARTZSCH" is written in a large, bold, blue sans-serif font. Below it, the word "Elektromotoren" is written in a smaller, bold, red sans-serif font.

Service agreement with TD Power Systems Limited

PARTZSCH Elektromotoren e. K. signed a service agreement with TDPS on December 6, 2017. On this basis, PARTZSCH Elektromotoren e. K. can implement the products of TDPS and to act as a partner.

TDPS is a reputed manufacturer of generators for various applications like steam, hydro, diesel, and wind, gas etc.

Contents of the agreement with TDPS:

1. PARTZSCH Elektromotoren e. K. is an authorized non-exclusive service representative for TDPS generators.

2. Renewable parts

The renewal parts covered by this agreement are those which are manufactured by and/or sold by TDPS and are designated to be used as replacements in any of TDPS generators.

3. Repair services

PARTZSCH Elektromotoren e. K. offers customers of TDPS generators the inspection and repair of their product. The agreement includes the following:

- A. Provision of suitable equipment for the inspection and repair of the products.
- B. Provision of qualified personnel to inspect and repair the products.
- C. Provision of inspection and repair services to TDPS product customers, regardless of their warranty status.
- D. The use of replacement parts approved by TDPS for the warranty repair of TDPS products.
- E. PARTZSCH Elektromotoren e. K. is able to inspect and repair your product according to the latest manuals and standards required by TDPS.
- F. Maintaining a high degree of business integrity.
- G. In addition to tools and machines, PARTZSCH Elektromotoren e. K. also provides all necessary spare parts and services.
